Low or No Proof Cocktails

FREE SPIRIT MARGARITA

A little lime, a lot of fun. Ask for fresh strawberries or
blueberries for a fruity twist 8

{Served with a mixed Tajin Rim}

SEMINARY GRADUATE **

This one really graduated; with honors. Infused
Ritual Rum with Native coffee, added a shot of cold
brew, a little house vanilla simple and few drops of
cocoa and walnut bitters for a little extra depth 10

{Ask for a splash half and half to make the cocktail creamy}

MISS PEARL'S GARDEN **

Light, bright and herbal. This version of a
lavender lemon drop is a perfect
summer drink 10

ANTITHESIS SPRITZ

This refreshing take on an aperol spritz
has the perfect balance of pineapple, sweet
vanilla, fresh lime and a touch of Grapefruit
soda on top 10

** Some low proof cocktails utilize bitters. It can be made without the bitters for a no proof cocktail. Just ask the bartender.
